

Skulls and Skins

Free; all ages welcome

1 to 4 p.m. Sunday July 17, at Tennant Lake near Ferndale

Photo courtesy of WDFW

The Friends of Tennant Lake and Hovander Park invite you to join us for our annual “Skulls and Skins” event with the Washington Department of Fish and Wildlife. We’ll touch and learn about tortoise shells, wolf skins, deer antlers and more. The Interpretive Center will be open, as will the tower and boardwalk at Tennant Lake, so plan for an afternoon adventure.

Dress for the weather: Be sure to bring a hat, water and sunscreen. Binoculars will be useful. Bring your camera to this free event. All ages are welcome. The Friends are supported by the Whatcom Parks and Recreation Foundation and operate in partnership with the Washington Department of Fish and Wildlife and Whatcom County Parks.

Directions: Take the Ferndale exit (west) off of 1-5. Follow the signs to Hovander Park. Instead of a final right turn into Hovander Park, continue straight on Nielsen Road through the gate to Tennant Lake. Email the Washington Department of Fish and Wildlife with questions: Richard.Kessler@dfw.wa.gov
